LIFE IS BETTER WITH KINETICO WATER

THE BENEFITS OF BETTER WATER

from Kinetico

Great drinking water right at your tap

Water is conveniently available without any hassles.

Clean, clear ice cubes

Great drinking water = great ice cubes.

Save money on soaps and cleaning products

Using soft water means you'll use less detergents and cleaners yet still have better cleaning results.

Softer, smoother hair and skin

With soft, chlorine-free water, you'll be amazed at how much better your skin and hair will look and feel.

Taste the difference

Recipes, beverages and foods made with water will taste delicious.

Peace of mind

You can rest assured you're drinking the highest quality water at a great price.

Protect your water-using appliances

Clean, soft, chlorine-free water will help your water-using appliances work better and last longer which saves you money.

Protect your plumbing

Clean, soft water keeps plumbing free from scale build-up and saves money on costly replacement.

Drink the suggested eight glasses of water a day

It will be easy when the water tastes so good and is readily available.

Reduce time spent cleaning

Without scale, soap scum and hard water stains, cleaning is much easier.

Soft, chlorine-free water

You won't have the smell, taste and drying effects of chlorinated water.

Whiter, brighter laundry

Detergents work better in soft water, so you'll notice better laundering results and save money on replacements.

Eliminate spotting

Hard water spots are gone when dishes, glasses and silverware are washed in soft water.

Give pets high quality water

They deserve the best water too.
